Khalil Yousuf

A strong local voice for Farnham & Bordon

Better access to GP and dental services

Everyone should be able to rely on quick access to high-quality local health services when they need them.

Khalil and the local Liberal Democrats will work to make it easier to get a doctor and dentist appointment.

Tackling the cost of living crisis

The Conservatives have wrecked the economy, leaving people struggling to make ends meet.

We need a fair plan to get through this cost of living crisis.

Protect our local environment

Khalil will be guided by the need to achieve net zero, back real measures to protect the River Wey from outrageous levels of sewage dumping and campaign for the retention of the Bordon waste site

FIX OUR NHS

Khalil Yousuf and the Lib Dems have a plan to rescue our NHS.

LIB DEM NHS PLAN

- ✓ Recruit, train and retain more doctors and nurses.
- ✓ Mental health on the same footing as physical health.
- ✓ Fix our ambulance services, improving response times.

The Conservatives have plunged the NHS into crisis.

Khalil said: "Local health services are under immense pressure following years of under-investment and mismanagement by the Conservative Government."

"I often hear from people that are no longer confident that

when they need medical help they can get it. Liberal Democrats would ensure everyone can get an appointment when they need one and get the treatment they need.

"I will press to ensure that the promised new Frimley Park Hospital meets the needs of residents of Farnham and Bordon."
